For groups choosing our drink package with tickets, we provide poker chips that represent the number of drinks covered under your group tab. Here's how it works:

Each member of your group will receive poker chips in the agreed amount. When they want a drink, they simply hand a chip to the server, who will then serve the drink and add it to your group's tab. If someone does not have a poker chip, they can still order a drink, but it will be charged directly to them at the time of service.

Drinks outside of the designated menu will also be charged directly to the guest. On average, drinks cost around \$7 each, but please note that this is only an average, not a fixed price.

Thank You for Choosing Les Trois Monkeys!

We're thrilled to host your group and appreciate you taking the time to organize this special event. Before making your payment, please take a moment to review the following important details to ensure a smooth and enjoyable experience for everyone.

Payment policies

Minimum Requirements for Food & Drink Packages

- All food and drink packages require a minimum of 10 guests.

Gratuities

- A mandatory 18% gratuity will be added to the total for all food and/or drink packages.

Confirmation of Guest Numbers

- A final confirmation of the guest count must be provided at least 72 hours prior to the event.
- If, on the day of the event, the number of attendees is less than 90% of the confirmed number, we will charge 50% of the agreed food and/or drink package for the absent guests. This policy applies only to food and drink packages.

Bowling Lane Reservations

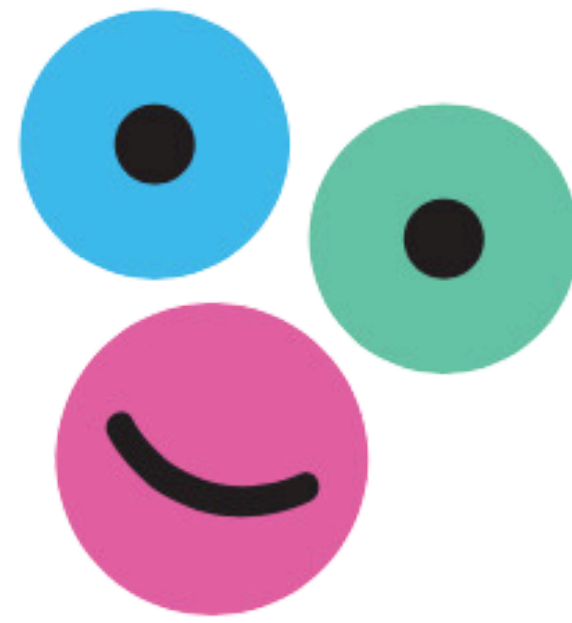

- If you reserve a certain number of bowling lanes and due to fewer attendees, one or more lanes remain unused, you will still be charged for the reserved lanes. This ensures fairness as we hold the lanes specifically for your event.

Bill Splitting

- For corporate events, the bill may be split into a maximum of two equal parts.

Terms of Payment

- A 40% deposit is required to secure the booking. This deposit will be applied to the total balance on the day of the event, and final charges will reflect actual services used.
- Cancellations made at least two weeks before the event will receive a full refund of the deposit.
- Cancellations made less than two weeks before the event will forfeit the deposit.
- The final payment must be settled in full upon conclusion of the event.
- Any damages caused by guests during the event will result in additional charges.
