BAR MENU WITH TICKETS

We provide tickets that represent the number and type of drinks covered under your group tab. Here's how it works:

Each member of your group will receive tickets in the agreed amount and within each option (1, or 2). All the tickets must be the same for the whole group. When they want a drink, they simply hand a ticket to the server, who will then serve the drink and add it to your group's tab. If someone does not have a ticket, they can still order a drink, but it will be charged directly to them at the time of service. **fixed price for the tickets!**

- Soda, Juice, Coffee, Tea.
